

As part of our continued effort to help you better manage your spending accounts(s), Benecom Company is introducing our participant website - www.myflexonline.com.

Managing your account is now easier than ever. The website features:

- *User-friendly appearance and easy navigation*
- *Ability to create a unique user name and password*
- *Account summary and balance at your fingertips. You will easily see how much you elected, how much you have contributed to the account to date and how much is available for reimbursement.*
- *Detailed information about every claim - includes date of transaction, the amount and the merchant that the claim was paid to.*
- *The ability to search current and past claims.*
- *Access to an online reimbursement claim form.*

How to Log In
